estly trying to live within their income.

So many domestic barks have gone to wreck on the rocks of the cost of living that the housewife's problem of making both ends meet is one of the most vital that confronts her.

Even in the romantic days of

In one of the most interesting books of years, "One Way Out," a writer describes how he and his wife and son moved from a suburban home to a city tenement after he had lost his position and faced absolute want.

Finding work as a day laborer, he earned \$9 a week. Their rent
